Back To School Tips
Making the First Day Easier

Remind your child that he/she is not the only student who is a bit uneasy about the first day of school. Teachers know that students are anxious and will make extra effort to make sure everyone feels as comfortable as possible.

Point out the positive aspects of starting school: It will be fun. He/She will see old friends and meet new friends. Refresh his/her memory about previous years when he/she may have returned home after the first day with high spirits because he/she had a good time.

Give your child some strategies for coping with bullies. He/She should not give in to a bully’s demands, but should simply walk away or tell the bully to stop. If you have to, talk with the teach about a persistent bully.

Find another child in the neighborhood with whom your youngster can walk to school or ride with on the bus. If your child is older, have him/her offer to walk or wait at the bus stop with a new or younger child.

If you feel it is appropriate, drive your child or walk with him/her to school and pick them up on the first day.

Walk! Stretch! Get Out!
Get Moving!

It’s easy to find excuses for not exercising. We’re too busy, too tired or don’t have time. But taking care of our bodies doesn’t have to take time. Just make the decision to move.

Take the stairs!
Dance while doing the dishes!
Stretch while cleaning or making the beds!
Walk during your lunch hour.
Walk the dog.
Do leg lifts at your desk.
Lift weights while watching TV.

Pick parking places that are far away.

Daily Prayers Dissolve Your Cares
Thank you, Lord Jesus, for the promise of your presence in bad times as well as good times. In Our darkness, may we remember that you are the inextinguishable light. Amen.

Thought for the Month
There is no darkness so deep that Christ cannot bring us light.
