The Church Where

"Where Everybody is Somebody"

Get Yo Praise On!It's the breakout season and if you know like I know you will start praising God right now. Anybody can praise God after they come out of the wilderness, but God is looking for some people that will praise Him in the midst of the wilderness. He didn't save Moses from the flood; He saved Him in the midst of the flood. He didn't save the Hebrew boys from the fiery furnace; He saved them in the midst of the fiery furnace. He didn't save Daniel from the lion's den; He saved him in the midst of the lion's den. He didn't save Paul and Silas from the prison; He delivered them in the prison. How many people reading today are going through a situation that has you thinking about giving up? If that's you, then you need to stand to your feet and give God a radical praise right now. Matter fact, don't wait until you get to church, start your own church service right now and give God some praise. And when you get to church, let folk look at you crazy, let them talk about you, but they don't know where God has brought you from and when you think about the goodness of Jesus! Somebody need to praise Him right here.....because all you had to do was think about His goodness! Praise Him with your whole heart!

A Giggle for the Month
Little Johnny's Corner

Johnny Went To Sunday school

The Sunday school teacher asked his class "If I sold my house and my car, had a big garage sale and gave all my money to the church, would I get into Heaven?" Little Sally answered, "No!"

"If I cleaned the church every day, mowed the yard and kept everything neat and tidy, would I get into Heaven?" Again little Henry answered, "No!"

The teacher then asked, how can I get into Heaven?" Little Johnny shouted out, "You gotta be dead, teacher!"

How May Did You Find?

Can you find 16 books of the Bible?

Answers to Last Month Issue:

I once made a **remark** about the hidden books of the Bible. It was a **lulu**. **Kept** people looking so hard for the **facts** and for some others it was a **revelation**. Some were in a **jam**, especially since the name of the books were not capitalized, but the **truth** finally stuck home to **numbers** of readers. To others it was a real **job**. We want it to be a **most** fascinating few moments for you. **Yes**, **there** will be some really easy to spot. Others may require **judges** to help them. I will quickly admit it **usually** takes a minister to find one of them, and there will be loud **lamentation** when it is found.

A little lady says **she brews** a cup of tea, so she can concentrate better, see how well you can **compete**. Relax now for there really are sixteen books of the Bible in this story. (One preacher found 15 books in 20 minutes, but it took him 3 week to find the sixteenth one!).
