The Lord is my shepherd; I shall not want.  
He maketh me to lie down in green

## Little Johnny's Corner

### "Little Johnny in the Kitchen"

One day little Johnny was sitting and watching his mother do the dishes at the kitchen sink. He suddenly noticed that his mother has several strands of white hair sticking out in contrast on her black hair.

He looked at his mother and inquisitively asked, why are some of your hair white, Mom?

His mother said, well, every time you do something wrong and make me cry or unhappy, one of my hairs turns white.

Little Johnny thought about this revelation for a while and then said, Momma you must have been a very, very bad girl. Grandma's hairs are all white.
