Little Johnny's Corner

"Little Johnny's Grandmother"

Sweet little Johnny surprised his grandmother one morning and brought her a cup of coffee. He made it himself and was so proud. He anxiously waited to hear the verdict on the quality of the coffee. The grandmother had never in her life had such bad cop of coffee, and as she forced down the last sip she notice three of those little green army guys in the bottom of the cup. She asked, little Johnny, why would three little green army guys be in the bottom of my cup?

Little Johnny replied, you know grandma, it's like on TV, The best part of waking up is soldier in your cup.

I have a dream...

I have a dream that one day little black boys and girls will be able to join hands with little white boys and white girls as sisters and brothers.

I have a dream today.
