### Little Johnny's Corner

#### "Too Short"

A priest is walking down the street one day when he notices our Little Johnny trying to press a doorbell on a house across the street. However, Little Johnny is very small and the doorbell is too high for him to reach. After watching Little Johnny's efforts for some time the priest moves closer to the boy's position.

He steps smartly across the street, walks up behind the Little Johnny and, placing his hand kindly on Little Johnny shoulder leans over and gives the doorbell a solid ring.

Crouching down to the Child level, the priest smiles benevolently and asks, And now what, my little man?

To which Little Johnny replies, NOW WE RUN!

## Daffodils

Flowers are the smile of God,  
When daffodils are in bloom  
They come to bring a glad surprise,  
Joy after the winter gloom.

Spring breezes waft then into dance,  
Each wears a golden crown.  
All seem to laugh in merriment  
While nodding up and down.

Oh! I am glad for spring time,  
The earth reborn again.  
And especially for daffodils  
Smiling forth to say, "Amen."

### "The Glory of the Easter Story"

In the glorious Easter Story  
A troubled world can find  
Blessed reassurance  
And enduring peace of mind  
For though we grow discouraged  
In this world we've living in,  
There is comfort just in knowing  
God has triumphed over sin  
For our Saviour's Resurrection  
Was God's way of telling men  
That in Christ we are eternal  
And in Him we live again...  
And to know life is unending  
And God's love is endless, too,  
Makes our daily tasks and burdens  
So much easier to do...  
For the blessed Easter Story  
Of Christ the living Lord.  
Makes our earthly sorrow nothing,  
When compared with this reward.
