

2010 MEN'S CONFERENCE

Files Chapel Baptist Church
900 Dixie Street, Lexington North Carolina 27292

Objective: A ministry focusing on “Brothers in Christ” fellowshiping with one another and introduce Christ to the unbelievers. Conference participants are encouraged to take a closer walk with God and enhance that personal relationship. Let’s take back our community, streets, and families by letting our lights shine. “We may be the only bibles that others may see”. Let’s take the gospel boldly outside the confinements of the four walls and into the community. Take what you learn and put it into action accepting it as a personal call to action.

In plain words, “Man Up”!
