Little Johnny's Corner

Little Johnny Late for School

Little Johnny was late for school, The teacher asked him why, and Little Johnny explained it was because he met a man who had lost his wallet on the street, "Ah" nodded the teacher, you were helping him find it! Un, not really, said Little Johnny, but I had to keep standing on it until he gave up and went away.

Cheers to a new month and another chance for us to get it right." "Nothing in the universe can stop you from letting go and starting over." "I wish you a beautiful new month from the first day of this month to the last day.

~Dial 9 for Worship~

You're in the doctor's office and it's taking longer than expected. You're late for another appointment, so you ask to use the phone. You dial twice and nothing happens. How do I dial out? You ask in frustration. I'm sorry, says the receptionist, you need to dial 9 first.

You've come to church to worship God. You've singing. You've praying with the preacher and following the Bible passages as they are read. But nothing's happening inside. You want to worship the Lord, but you've just going through the motion. What can you do?

Dial 9. Open your Bible to Psalm 9 and follow David's prompts as he expresses his heartfelt praise to the Lord.

*Open your heart (verse 1) Let praise roll forth!

*Review all the things He has done for you (verse 1).

*Rejoice! Be glad! Sing! (verse 2).

*Acknowledge that He defends you (verse 3-5).

*Go to Him for refuge (verse 9).

*Talk about what he's done for you (verse 11).

*Receive His mercy (verse 13).

*Rejoice in His salvation (verse 14).

Try following David's example. You'll reconnect with God in your worship and praise.
