Your word is a lamp to my feet and a
light for my path. Psalm
119:105

Step by Step

My best childhood memories are of summers spent at my family's collage by the lake. We got our water from an outdoor pump and took baths out back in a small cabin heated by a wood fire. The darkness at night was profound. After my evening bath, I carried an old kerosene lamp to light the path back to the cottage. I held the lamp aloft, and it cast just enough light to illumine the next few feet of the path. The rest of the way was swallowed up in darkness. The lantern allowed me to keep going, step by step, until I reached the safety and warmth of home.

The psalmist compares God's word to a lamp not a floodlight that reveals everything at once but a lamp that gives enough illumination for only the next step or two. In a similar way. God guides us, one step at a time, until we reach our destination. With God's word, we have all we need to take the next step and next until we reach the warmth and safety of home.

Daily Prayers Dissolve Your Cares

Lord, help us to trust you with each step. Amen.

Thought for the Month:

God is guiding us to where we need to be, one step at a time.

Little Johnny's Corner

Little Johnny and the Tooth Fairy

Are you the tooth fairy? Little Johnny asked his father after another tooth fell out.

Little Johnny father was very impressed that Little Johnny picked up on this. His father assured him that I am in fact the tooth fairy. Little Johnny father bubble was burst.

A few minutes later after thinking for a few ~~second~~ Little Johnny asked his father well how do you get into the kids houses?

Please remember the sick shut-ins and the bereaved with prayers, cards, and telephone calls.

The Perfect Father

I love you because you're my father,
But you're really so much more;
You're a guide and a companion;
You and I have great rapport.

You pay attention to me;
You listen to what I say.
You pass on words of wisdom,
Helping me along the way.

Whenever I'm in trouble,
You always have a plan.
You are the perfect father,
And I'm your biggest fan!

Happy Father's Day

FATHER'S DAY QUOTES

- Dads are most ordinary men turned by love into heroes, adventurers, storytellers and singers of song.
- A dad is someone who wants to catch you when you fall. Instead he picks you up, brushes you off and lets you try again.
- I cannot think of any need in childhood as strong as the need for a father's protection.
- No one in this world can love a girl more than her father.
- It doesn't matter who my father was; it matters who I remember he was.
- No man I ever met was my father's equal, and I never loved any other man as much
- Dad, your guiding hand on my shoulder will remain with me forever.
- What a father says to his children is not heard by the world, but it will be heard by posterity.
- Every son quotes his father, in words and in deeds.
