"Where Everybody is

Daily Prayers Dissolve Your Cares

Thank you, Lord, for your immeasurable love. May it reach the very depth of our being so we can love as Our Master loved. Help us to understand and intercede for those we love who do not know you that they may come to know your love. Amen.

Thought for the Month

God's love is greater than any suffering we may endure for our faith.

Please Pray For Our Children
For A Happy A Safe School Year!

Remember our Shut-ins
and the bereaved with prayers, cards, and
telephone calls.

Remembering 9/11

Attacks 20 Years Ago Shaped Today's FBI

The morning of September 11, 2001 remains one of the most pivotal points in American history—and for the FBI. The ensuing investigation was the largest in the history of the Bureau. The attacks led to far-reaching changes in the organization as it elevated terrorism to the gravest threat against the U.S.

Little Johnny's Corner

-Little Johnny and the Motorcyclist-

Little Johnny was walking home, alone, from school one day, when a big man on a black motorcycle pulls up beside him, after following along for a while, he turns to Little Johnny and asks, Hey there little boy, do you want to go for a ride?

NO! Said Little Johnny as he keeps on walking. The motorcyclist again pulls up beside him and asks, Hey little boy, I will give you \$10 if you hop on the back. NO! Said Little Johnny again as he hurries down the street.

The motorcyclist pulls up beside the Little Johnny again and says, Okay kid, my last offer! I'll give you 20 Bucks "and" a Big Bag of Candy if you will just hop on the back of my bike and we will go for a ride.

Finally, the Little Johnny stops and turns towards him and Screams Out...
Look Dad, You're the one who bought the Honda instead of the Harley ...YOU RIDE IT!!

-Quotes on Faith-

Faith is taking the first step even when you don't see the whole staircase. – Martin Luther King, Jr.

Faith is the bird that feels the light when the dawn is still dark. – Rabindranath Tagore

It's lack of faith that makes people afraid of meeting challenges, and I believed in myself. – Muhammad Ali

IN QUIET COMMUNION

Take and eat as you remember
The sacrifice that I made,
The bread and wine that represents
The life I willingly gave
My body beaten and pierced with nails,
My blood poured from my side,
For it was the only way for you
To receive eternal life
As you sit and reflect a moment,
Confess your sins to me
Let my blood cleanse you again
So you will truly be free
And if you need a healing touch,
Reach out to me today,
For in this quiet communion time
Your healing is already made
Then when you're ready to partake,
Be thankful and be glad,
For you, my child, have many blessings
That others do not have
So let this communion time extend
To bless somebody else,
Reaching out to touch a life
That may be in need of help
But don't let this time just pass you by,
Not letting it touch your need,
For I've ordained this communion time
So you can fellowship with me.

The [COVID-19](#) pandemic has had a profound impact on mental health, with a new study suggesting that feelings of paranoia might be associated with mask mandates. Yale University researchers, who published their findings in the [journal Nature Behavior](#), also noted that paranoia was heightened in states with low adherence to mask mandates.
